Dear Members & Guests,

You are invited to our next golf event, which takes place at Bankstown Golf Club on Tuesday March 4th 2025.

Ranging from wind swept holes adjoining the Georges River, to the manicured fairways that drift through groves of eucalypts and native bushland, this par 71, 6068 metre championship course has only relinquished a record score of 69. Situated in a garden oasis the clubhouse offers tasteful air-conditioned surrounds to compliment the championship golf course.

Bankstown Golf Club's Black 'Championship course is a true test to any golfer.
